Summer Fun!

To help you keep your kids happy and healthy this summer, we have lots of great things planned!

30 Days of Camp!

We are excited to introduce **30 Days of Camp!** Three days a week (*Tue., Wed. and Thur.*) for 10 weeks (*June 15th – August 19th*) we will be hosting half-day camps. **You can sign up for as many as you want, on any of the days you would like.** Brochures are available by the bulletin boards or on the web site.

Flexi-Schedule

This summer we will once again be offering our **Flexi-Schedule**. This allows you to sign up for between 5 – 10 weeks of class, during the weeks that work for your schedule throughout the summer. They can be sequential, or scattered throughout the summer. **Flexi-Schedule** provides your child with the same class structure they are use to, while giving you the flexibility to work around other summer-time commitments. Additional details will be coming soon!

Spot Light Show

Our **Spot Light Show** will be held at the end of Session 4, in early June. This event allows your child to showcase what he/she has learned in class. **Free admission for all spectators!** Additional details will be coming next month, so stay tuned!
